Special LIVE Private Performance

Texas-born singer and songwriter **Jack Ingram** will showcase his award-winning sound at a special private performance at Fusion 2010, right in his own back yard at House of Blues Dallas. Don't be fooled by the title of Best New Male Vocalist won by Ingram at the 2008 Academy of Country Music awards: He has been rocking roadhouses, theaters and stadiums for well over a decade. He's probably best-known for the swimming-hole-party anthem "Barefoot and Crazy," which quickly became a radio smash and a soundtrack for the hot summer of 2009. Ingram's performance at Fusion 2010 will be part of a special private celebration Wednesday evening beginning at 7:00 PM.
