IMMEDIATE RELEASE

Keynote Presentation by Metavante Image Solutions Executive to Highlight TAWPI Payments in Transition Conference

BOSTON – February 1, 2008 – Brian Hurdis, president of Metavante Image Solutions, will present a keynote address at The Association for Work Process Improvement’s (TAWPI) ***Payments in Transition*** conference, April 15 in Las Vegas. Hurdis will provide his perspective on the changing payments environment and the impact these trends will have on financial institutions and corporate billers.

The conference is scheduled for April 15-16 at the Westin Casuarina Hotel, Casino & Spa.

“The ***Payments in Transition*** event offers industry practitioners insight and best practices for maximizing their organization’s payments capture and clearing, regardless of the payment type,” said TAWPI President Frank Moran. “Hurdis will share provide a state-of-the-industry analysis of the changing payments mix and how these changes offer both opportunities and challenges for financial institutions and corporate billers. We are fortunate to offer insight from such an industry authority.”

TAWPI's ***Payments in Transition*** is the most comprehensive event of its kind for business, operations, IT and product strategists responsible for payments and cash management within organizations. The program will provide real-world, actionable business strategies from some of the most prominent companies in transaction processing and financial services: Celent, Viewpointe, Alogent, Federal Reserve Bank, CDS, NetDeposit, JP Morgan Chase, US Bank, PNC Bank, Wells Fargo, and more.
